

MINUTES

Planning Commission Meeting 02/20/17

Present:

Committee Carrie Peters, Julie Oliver

Guest Alison Lowe

New Business

Reviewed draft plan and made minor adjustments. Alison is organizing final draft and we would like to **incorporate photos if we could all work together to find some to include and email them to Alison.** We will have copies available for community members at town meeting as well as link to go online to review. The comments will be directed to the GPC email for our review and to consider in adjustments to final plan.

Hearing is scheduled for April 10th at 6pm in the community building gym. Alison is planning on mailing the draft plan to the adjacent towns for us to ensure deadlines are met.

Next meeting is scheduled for March 20th 5:30 at town office to plan for hearing, go over power points to present (Alison preparing), review community member comments for review and go over final draft.

Notes/Topics of Ongoing Interest/Moving Forward

Hearing planning

Review of final draft and planning of next steps
